The RM may require changes to the proposed location, culvert size, drainage design, width, slope, or other construction details following its site inspection.

6. SITE SKETCH / LOCATION PLAN

Draw sketch here or attach a sketch as a separate page:

7. APPLICANT RESPONSIBILITIES

By submitting this application, the applicant acknowledges and agrees that:

1. No construction or alteration of the approach shall begin until written approval has been received from the RM of Pinto Creek No. 75.
2. The applicant is responsible for all costs associated with the construction, alteration, relocation, maintenance, and removal of the approach, including labour, equipment, materials, culverts, and related work, unless otherwise authorized in writing by the RM.

3. The applicant shall construct the approach in accordance with the specifications, conditions, and directions provided by the RM.
4. The applicant shall not interfere with or obstruct municipal drainage, road maintenance, snow removal, grading, mowing, or other municipal operations.
5. Where the proposed approach is located on or near a provincial highway, the applicant is responsible for obtaining any required approval from the Saskatchewan Ministry of Highways. Provincial highway approach requirements may apply in addition to RM requirements.
6. The RM may inspect the proposed location before construction and inspect the completed approach.
7. The RM may require modifications to the proposed approach where necessary for road safety, drainage, sight distance, road maintenance, or other municipal considerations.
8. Approval of an approach does not constitute approval of any separate development, building, subdivision, zoning, or land-use application that may be required.
9. The applicant is responsible for ensuring that all information provided in this application is accurate and complete.

8. APPLICANT DECLARATION

I/We certify that the information provided in this application is true and complete to the best of my/our knowledge.

I/We acknowledge that approval of this application is subject to the bylaws, policies, standards, and requirements of the RM of Pinto Creek No. 75 and any applicable provincial or federal requirements.

I/We agree not to commence construction until written approval has been issued by the RM.
